

ABCOM - XERO AND PROFESSIONAL SERVICES

Abcom offers Xero as an alternative to Abcom Accounts and General Ledger with over 200 sites deployed. We recommend that you consult with your accountant before your Xero conversion. Your accountant will continue to provide professional accounting advice throughout your Xero journey. We encourage you to consult with your accountant for all ongoing accounting advice within Xero

XERO CONVERSIONS AND SERVICES WE CAN PROVIDE

- ✓ Conversions from Abcom Accounts to Xero
- ✓ Xero training and support, but excludes accounting advice
- ✓ Abcom Bookkeeping Services (Xero or Abcom Accounts)
- ✓ Abcom Payroll Services

THE BENEFITS OF XERO ARE INTUITIVE, SECURE AND HELP TO STREAMLINE YOUR BUSINESS FINANCES

Xero is an online cloud accounting software, which means it is accessible through the internet, rather than having to physically install it on your computer.

- ✓ Access from PC, MAC, Phone or Tablet
- ✓ View your cash flow in real-time
- ✓ Automatic daily bank feeds
- ✓ Reconcile all your bank transactions in seconds
- ✓ Take control of your business, anytime, anywhere
- ✓ Simplify your accounting and streamline your business
- ✓ Integrates fully with eBOS, Abcom BOS and Abcom Payroll
- ✓ Lodge BAS directly to the ATO from within Xero

SAVE PRECIOUS TIME WITH BANK FEEDS AND XERO BANK RECONCILIATION

There's a long list of unpleasant things most business owners would rather do than bank reconciliation. Traditionally, it's mindless and time-consuming. However, the bank reconciliation functionality within Xero feels more like a video game than work. Xero makes the bank reconciliation process easier by letting you know when bank statement lines are ready to be reconciled.

CONVERSION AND TRAINING LEARN HOW TO MAKE THE MOST OF XERO

An Abcom Support consultant will be assigned to assist you in your Xero Journey from APGL conversion to your first-month end and beyond.
