Sending Orders (Email or EDI)

Most orders can be submitted by email, Electronic Data Interchange (EDI) or print to Fax or call in:

- If a supplier is configured to EDI the order will be sent electronically.
- If EDI has not been configured and there is a Supplier email address configured it will send as ab email.
- If neither EDI or Email is configured, then a Print Order icon will display in place "Ready to Send"
- Once sent the order moves to the Sent Orders section
