# Cash Reopen Cash Shift

- **Cash Reopen Cash Shift:**
- It may be necessary to reopen a cash shift in the current trading day.
- You cannot open a previous cash shift if another one is already open.
- I need to open Shift A, I must first close Shift B in order to then re-open Shift A.
- From the dropdown selector shift you wish to open in the current day.
- Click on the desired shift to be reopened and the shift will be reopened.
